ISSUE 9 : 2025

The children at HOB have been joyfully working together in the kitchen, baking delicious treats! Through this activity, they not only learned new practical skills but also grew in teamwork and the joy of serving one another with loving hearts. It's a sweet reminder of how God shapes their character through everyday moments of sharing and helping each other.

Each year, HOB takes a special trip to the beach during the school holidays for the children to relax, play, and enjoy God's beautiful creation. Throughout the year, their days are often filled with school and home routines, so this trip is always a joyful and refreshing time together. This year was especially meaningful as 10 children and church members made the precious decision to be baptized in the ocean!

Youth Worship Night

Our HOB Worship Team had the honor of serving the Chiang Mai Youth Group by leading their worship service. It was a wonderful opportunity for our youth to use their gifts and talents to glorify God and to encourage other young people in their faith.

THE FATHER'S BIRTHDAY

We joyfully celebrated Pastor Rachen's birthday – lovingly known to us as Khun Phor ("Father" in Thai) – on July 4th. This year marked a very special milestone as he turned 60 years old! We thank God for his life, his faithful service, and the spiritual leadership he has poured into the children and community over the years. His heart for God and steadfast example continue to inspire all of us at HOB. We are truly grateful for the Lord's blessings and pray that God will continue to strengthen and guide him in the years to come.

HOUSE OF BLESSING CHIANG MAI

During the school break, we organized a fun and educational field trip for the children to visit the Chiang Mai Planetarium. It was a wonderful opportunity for them to explore and learn more about God's amazing creation — the stars, planets, and the vast universe He designed. The children were filled with curiosity and excitement as they discovered new things and enjoyed this special time together outside the classroom.
